Dear Friends and Supporters of HCSC,

December 2024

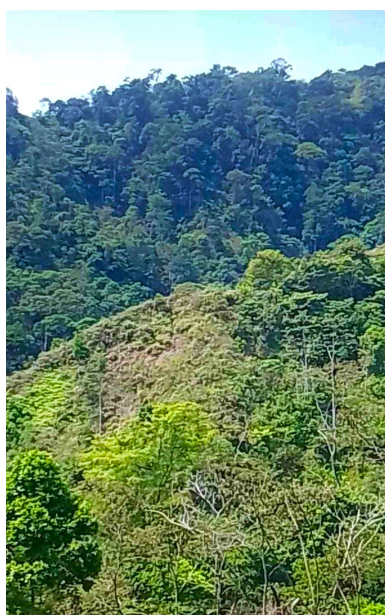

Greetings! This past year was a challenging one for many Honduran communities. Intense flooding from hurricanes and storms, with resulting landslides, have created many demands on FECOVESO, HSCS's Honduran non-profit partner. FECOVESO has provided funding for many communities to repair their water systems - from coastal to steeply mountainous areas of Omoa - as well as for purchase and protection of watersheds, and other projects that community members identify as their most pressing, such as maintenance and repair of schools, health clinics, roadways, bridges, and more.

Water system repair - Santo Domingo

Corinto health clinic addition

Watershed purchase - Mount Sinai

Las Mejias - building and completion of new water tank

School children in Monte Sinai showing off their new notebooks provided by FECOVESO

FECOVESO continues working with unflinching commitment and enthusiasm. Its members take great pride in what they are able to accomplish, and are very appreciative of your interest and generosity in providing the funds that enable them to continue! Donations are gladly accepted by check or at www.hcsc-honduras.org/donate.html

FECOVESO Board

Your donation, of course, is tax deductible. Honduras Community Support Corporation is recognized by the IRS as tax exempt under Section 501c(3) of the code and is registered as a charity with the New York State Attorney General's Office
